Tandy 2500 XL — Our Finest 80286 Based Office Computer! The Sensible Alternative

\$2499 NEW
FOR 91
CPU Only

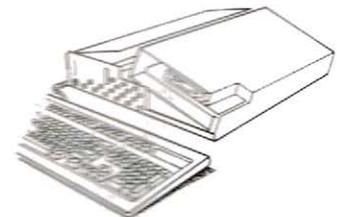

- Three 16-Bit AT-Compatible Expansion Slots
- 10 MHz Intel® 80286 Microprocessor
- 1MB RAM, Expandable to 16MB
- Built-In 16-Bit VGA Graphics
- Supports Multitasking Applications Under OS/2
- SmartDrive® "IDE" Hard Disk Support
- Built-In 3.5" 144 Mb Disk Drive

Tandy 2500 XL. The Tandy 2500 XL is based on the 10 MHz Intel 80286 processor and is also the first 16-bit machine with Tandy's DeskMate Graphical User Interface™ and MS-DOS® 3.3 operating system built into ROM for "instant on" operation. This feature offers ease-of-use for novices and added convenience for experienced PC users. The 2500 XL includes 16-bit VGA support, a 16-bit SmartDrive IDE connector, socket for a math coprocessor, one serial port, one bidirectional parallel port, microphone and headphone jacks and a mouse port integrated on the main logic board. A one inch high, 144 Mb floppy disk drive comes standard with the 2500 XL with room to add another 3.5" and one 5.25" device. The SmartDrive connector permits hard drives with integrated AT-type controllers to plug directly into the system without the need or expense of a separate controller card. As soon as the computer is turned on, the user is greeted with a graphical display of programs. A separate DeskMate applications diskette is also provided and includes applications such as; a text word processor with 90,000 word spelling dictionary, spreadsheet, filer, calendar, address book, telecommunications, PC-Link online information service, music, sound and draw programs. * Optional Lotus package shown. See page 5 for details.
25-4074 2499.00

SPECIFICATIONS

Microprocessor: Intel 80286 processor with 16-bit data path. **Clock Speed:** 10 MHz. Real-time clock with battery backup. **Operating System:** Microsoft MS-DOS 3.3, DeskMate (in ROM) and GW-BASIC. **Memory:** 1 Mb RAM. By using the expansion slots, memory is expandable to 16 Mb. **Keyboard:** 101-key enhanced keyboard. **Video Display:** Built-in, 16-bit VGA video adapter. **Disk Drives:** Built-in 3.5" 144 Mb floppy disk drive. On-board high-capacity floppy controller: supports two floppy 3.5" or 5.25" drives. Drive storage is expandable to 3.5" or 5.25" floppy plus hard disk, disk cartridge or tape backup systems. **SmartDrive IDE hard disk drives controller.** **Internal Expansion:** Three 33cm 16-bit IBM® AT slots. Optional 80287-8 Math Coprocessor. **External Connections:** Bidirectional parallel printer port and RS-232 serial port PS/2, mouse port. **Dimensions:** (HxWxD) 11.4x39.4x36cm. **Power Requirements:** 240V AC.

Innovative Design for Easy Access

Tandy 2500XL features a unique hinged-bay design which swings open for easy access to card slots and storage devices. This makes upgrade quick and easy.

286 Speed Combined with Remarkable Ease of Use — The Tandy 1000 TL/2

\$1899 **NEW FOR 91** CPU Only

- Powerful 8 MHz Intel® 80286 Microprocessor
- SmartDrive Technology Provides Affordable Hard Disk Expansion ● 640K RAM ● Enhanced Keyboard
- Parallel Printer Adapter, RS-232 Serial Port and Two Joystick Ports ● Built-In 3.5" 720K Disk Drive
- Software Compatible with IBM® PC
- Enhanced Sound and Speech Capabilities Let You Record and Listen to Voice and Music
- DeskMate® 3 Productivity Software with Built-In Tutorial Help ● Real-Time Clock and Battery Backup

Tandy 1000 TL/2. Absolutely packed with features! You can run sophisticated business software on durable 3.5" 720K diskettes. A real-time clock/calendar, parallel printer adapter and RS-232 serial port are all built-in. And because hard disk expansion is so important to serious PC users, the 1000 TL/2 features built-in SmartDrive technology. Tandy SmartDrive provides 20 or 40 megabytes of data storage without the need, or expense, of a separate controller board. You can expand affordably, and without using a card slot! DeskMate 3, with word processing, spreadsheet analysis, filing and other useful applications, is included — complete with a new Tutorial program to help you get started fast. And unlike other PCs, the 1000 TL/2 comes with MS-DOS and the DeskMate Graphical User Interface built-in ROM. Just seconds after you turn the TL/2 on, up comes a near organized display of your programs. You don't have to learn DOS commands either — the DeskMate Interface guides you as you go. Built-in video supports monochrome text, Hercules monochrome graphics and CGA 16 colour graphics with enhancements. The superb graphics are complemented by digital sound and speech capabilities. Using DeskMate's sound editor and an optional microphone (33-1060), you'll be able to record and edit voice, music & sound effects onto disks then play them back at your convenience. Expansion is also easy, and thorough. Add a second 3.5" internal drive and a 5.25" internal drive for complete flexibility. Inside, there are four 8-bit "XT" card slots and a socket for a math coprocessor. **25-1602.....1899.00**

SPECIFICATIONS

Microprocessor: 80286. Optional 80287 Math Coprocessor. **Clock Speed:** 8/4 MHz (Software Selectable). **Operating System:** Microsoft MS-DOS 3.3, DeskMate 3 (in ROM) and GW-BASIC software. **Memory:** 640K RAM, expandable to 768K. Includes 512K ROM and 1024 bits EPROM for system configuration. **On Board Video Support:** Text-MDA or CGA compatible, 80 or 40 characters per line by 25 lines. **Display Options:** Monochrome — High resolution monitor (VM-5, green). Colour — 35.6cm RGB Colour Monitor (CM-5 or CM-11). **Sound:** Built-in 8-bit DMA-driven ADC/DAC for speech and music generation, including internal speaker, 1/8" external stereo headphone jack with volume control and 1/8" microphone input jack. **Disk Drives:** One double-sided, double density 3.5" 720K (formatted) floppy disk. Disk Drive is expandable to support 3 floppy drives (two 3.5" and one 5.25") or one hard disk drive and two internal floppy drives. **Internal Expansion Slots:** Four 10" IBM PC Bus compatible (8-bit) card slots. **External Connectors:** Parallel Printer Port, RS-232 Serial Port (9-pin male), 2 joystick ports, 1/8" Mic in and 1/8" stereo headphone output. **Keyboard:** 101-key enhanced keyboard. **Hard Drive Support:** Includes I.D.E. (Integrated Device Electronics). **Internal Clock:** Realtime clock/calendar with battery backup. **Dimensions:** (HxWxD)33x39x4x33.3cm **Power Supply:** 240V AC. * TM of IBM Corp.

Easy to Use — Just Power and Run! Ideal for Home Office and Educational Purposes

\$1599 **NEW FOR 91**
CPU Only

- IBM-PC™ Compatible
- MS-DOS and DeskMate Interface In ROM
- Optional 8087 Math Coprocessor Socket
- 8086 Processor
- 3.5" 720K Disk Drive
- DeskMate 3 Productivity Software with Ten Applications and Online Tutorial
- 512K RAM
- Five 8-Bit Expansion Slots
- Built-In 8-Bit Digital to Analog Converter
- Supports 16 Colour Graphics Standard

Tandy 1000 SL/2. An extremely versatile system that caters for the growing family/education environment. It's easy to use, it's expandable, contains MS-DOS® 3.3 and DeskMate® 3.3 software built into ROM that loads automatically in seconds and comes with an on-screen tutorial, plus an enhanced music sound system. MS-DOS is the software that controls the basic functions of the computer. The SL/2 gives you an introduction to the most powerful and proven software packages on the market today, and because MS-DOS is in ROM you can access all of the commonly used MS-DOS functions available without having to use the MS-DOS diskette. Instant booting can also take place without changing of discs. The SL/2 also features an 8086 microprocessor for far greater performance than other PC's. The Tandy 1000 SL/2 also comes with an enhanced 101-keyboard, a 3.5" 720K disk drive, 512K RAM (which is expandable to 640K), and five user-accessible expansion slots. The sophisticated sound reproduction system generates new life into your computer programs. When used with DeskMate's sound editor and an optional microphone, you will be able to record, edit and playback sound effects from a variety of sources, then save them on your personal diskettes for playback. Other features include built-in video support, adapters for connecting a printer or adding joysticks, and a built-in RS-232 serial port — perfect for adding a mouse.

The Ultimate in Notebook PC's! Built-In Software Lets You Use the Tandy 1100 FD Instantly

\$1599

**NEW
FOR 91**

The **Tandy 1100 FD** laptop is a versatile, simple-to-use computer. And it's ready to use the moment you turn it on! You can use it at home, take it with you to work or as you travel, giving you instant access to useful information and productivity software. Included is everything you need to immediately begin using your computer — IBM® PC software compatibility, full portability, a 3.5" 720K disk drive, full feature 84-key keyboard with enhanced 101 keyboard emulation, MS-DOS version 3.3 operating system and serial and parallel ports that let you use a printer to print copies of the documents you create. As an amazing bonus the 1100 FD features the Tandy DeskMate 3.3 graphical user interface built-in ROM. The reflective screen measures 12.2x19.7cm and considering that a backlight in a laptop causes significant draw on the battery system, it is important to note that the 1100 FD does not require a backlight in order to provide crisp, clear, text. Also included are easy-to-follow manuals so that you can be up and computing as soon as possible with the DeskMate® tutorial is also built in ROM. Whether you're a student of business person, it's never been so easy to work smarter. **25-3530.....1599.00**

Turn on the 2500 XL, complete with DeskMate productivity software and you are immediately in business. Produce quality spreadsheets, professional letters, start a client filing list and even note down what appointments you already have scheduled for the year. The 2500 XL is an ideal multitasking platform designed around the greatest computer technology. And the included DMP 2103 business printer will ensure your final output has a professional appearance. Tandy also has a nation wide service and customer support team that is ready to help you with the smallest problem. **System 25-9918**

System Inclusions

Tandy 2500 XL Computer, DMP 2103 Printer, 80 Mb Hard Disk Drive, VGM-1 VGA Monitor, Power Board, Cable and Paper. 25-4074/4120/9535, 26-2850/1258/9313, 61-9518

Home Starter Pack — Everything You Need to Start Computing Straight Away Is Included

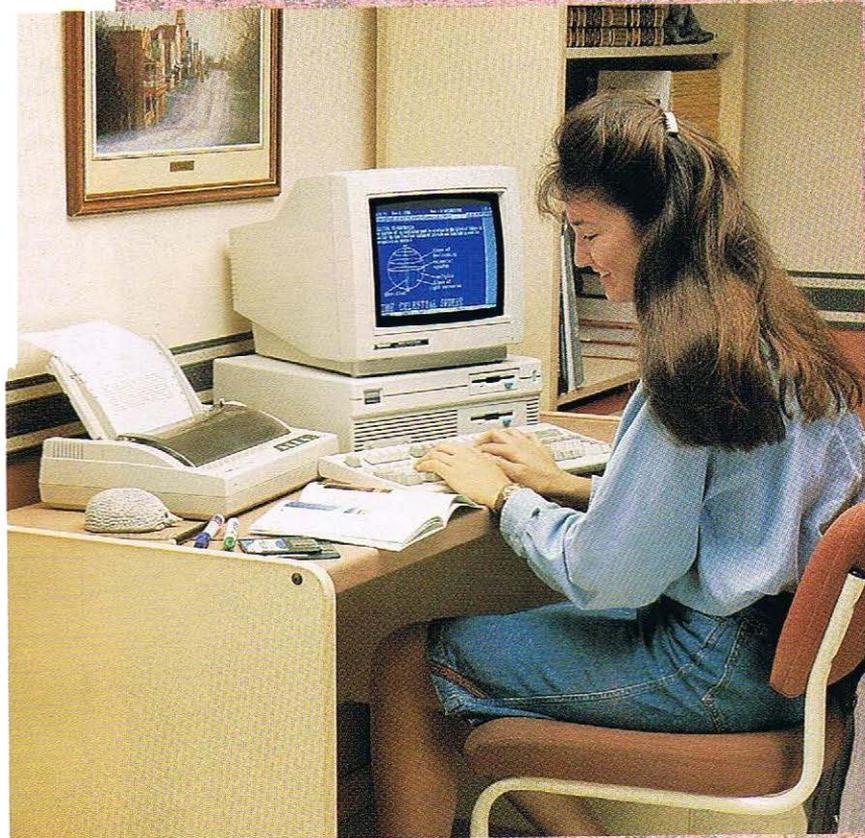

\$2499

- Includes Tandy SL/2 with 512K RAM
- With DeskMate 3.3 Productivity Software
- Features the DMP-134 9-Wire Printer for a Quality Finish
- Includes a Second Internal Disk Drive for Added Convenience and Ease of Use

Tandy has taken the worry out of buying that "first computer" by introducing this exciting Home Starter Pack. Everything you need to start computing as soon as you get home has been included. And once you create something you can see what it looks like on paper, because the quality DMP-134 dot matrix printer is also included. So start your family off on the right foot, invest in the Tandy Home Starter Pack! System 25-9915

System Inclusions

Tandy 1000 SL/2, additional 3.5" Disk Drive, DMP-134 Dot Matrix Printer, CM-5 Colour Monitor, Power Board, Printer Cable and Paper. 26-1402/1075/1043. 26-2848/1259/9313 and 61-9518

Home/Office Productivity System Will Put Your Business a Step Ahead of the Competition

\$3499

- Includes the Fully Expandable '80286' Tandy TL/2 Computer with 640K and 4 Expansion Slots
- 20 Mb SmartDrive for Easy Bulk Storage
- High Resolution 16-Colour CM-11 Monitor
- High Quality DMP-302 Dot Matrix Printer

Your company is growing. And that means more to keep track of. More clients, files, inventory. More letters and reports than a card file and typewriter can handle. With the TL/2 productivity system working for you and your business, you'll be able to streamline your business and have information available at the touch of a button. Future growth has also been thought of in this computer package with the inclusion of a 20 Mb IDE SmartDrive, making it one of the most expandable computers around. System 25-9916

System Inclusions

Tandy TL/2, 20 Mb IDE SmartDrive Hard Disk, DMP-302 Printer, CM-11 Colour Monitor, Power Board, Printer Cable and Paper. 25-1602/1045/1024. 26-2849/1259/9313. 61-9518.

Hard Drives and Adapters

- 20 Mb Hard Disk Card.** Reliable and flexible. Will fit any IBM PC or PC compatible. Comes with thorough installation manual and special installation software. 85ms access time. 25-1032 Was 799.00.....**749.00**
- 40 Mb Hard Disk Card.** As above with 40ms access time. Can be used with other PC compatibles. 25-4059 Was 1199.00.....**999.00**
- XT-Style 20 Mb 70ms.** Latest in IDE technology. Can be fitted to other XT's with adaptor 25-9212. 25-1045.....**649.00**
- XT-Style 40 Mb 40ms.** The latest in IDE technology. Can be fitted to other XT's with adaptor 25-9212. 25-1046.....**799.00**
- AT-Style 40 Mb 28ms. 1" in height.** 25-4123.....**899.00**
- AT-Style 80 Mb 19ms.** 25-4120.....**1,299.00**
- AT IDE Interface.** Allows IDE drive fitting in Std. "AT". See chart below for application. Can be used on other PC compatibles. 25-4121.....**99.95**
- XT IDE Interface.** Allows IDE drive fitting to any Std. "XT". See chart below for application. Can be used on other PC compatibles. 25-9212.....**99.95**

Tandy Word Processor

Tandy WP-100 Printing Wordprocessor. All you need to produce crisp, letter-quality reports and correspondence — in one self-contained unit. And it's so easy to use! First, enter your text on the full-size keyboard. Before printing your work on the built-in daisywheel printer, you can review your text line-by-line on the 80-character by 8-line display. The WP-100 will even proof your work against a built-in 50,000 word spelling dictionary. Move, copy or delete words, sentences or entire paragraphs with just a few keystrokes. Save your work on mini-diskettes for updating at any time. WP-100 folds to 13.7x43.2x40.7cm. With Courier 10 printwheel and 2.8" diskette. 240V AC. 26-3958..... 999.00

Specifications. Memory: 24K RAM. Display: 80x8 "superslim" liquid crystal display. Disk Drive: 128K 2.8" disk drive. Keyboard: 70 key. Print Speed: 13 characters per second. Dimensions: 13.7x43.2x40.7cm. Weight: 8.2kg. Power: 240V AC.

Heavy-Duty Dot Matrix Business Printer

DMP-2130 is a premium quality 28-wire printer designed to perform under the most demanding conditions. With this versatile printer, you can select either IBM or Epson code set and by selecting the appropriate mode you can use the printer with MS-DOS® compatible systems. The wide carriage format handles the largest forms, and you can choose near letter quality fonts to provide an extra special look to your correspondence. And since all 28 pins are not used for each character, the life on the printhead is increased considerably. The front mounted control panel includes an easy-to-read LCD display. The DMP-2130 also features a form tear-off function to advance the paper to the tearing position after it is printed, autoloading to load the fanfold paper to printing position and a quiet mode that reduces noise level during printing. 26-2845..... 1699.00

Specifications. Print Speed: 400 characters per second. Cut Sheet loading: Auto/semi automatic. Head Life: 300 million dots. Print Head: 28-wire. Dimensions: 60.6x35x21cm. Weight: 15 kg. Ribbon Life: Five million characters. Power: 240V AC. ® /TM are logos of IBM, Epson, MS-DOS and Centronics

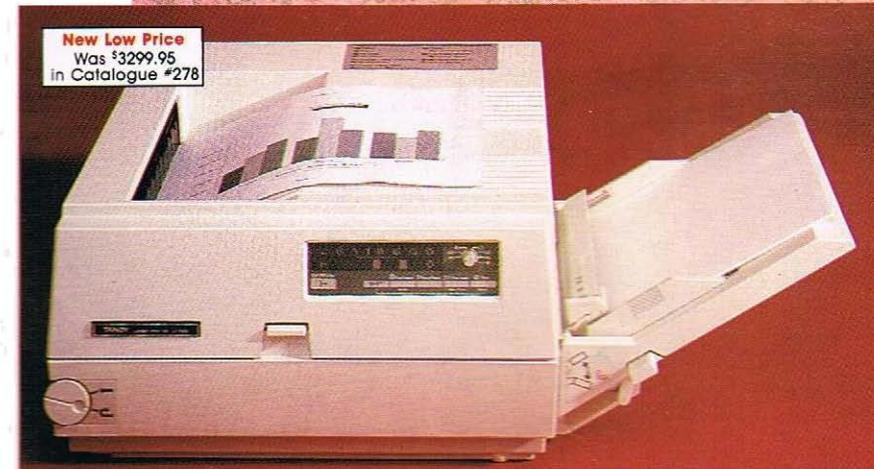

Laser Printer — Loaded with Features

Tandy LP-1000. The laser sharp clarity of the LP-1000 rivals professional typeset quality in brochures, newsletters, letterheads and more. And there's no cartridges to replace — you'll have convenient front-panel selection of program fonts and typesyles. Features portrait and landscape modes, 10/12/16/7 character-per-inch text and 300x300 dpi on a full page measuring 21.6x27.9cm. It is also Tandy®, IBM®, and HP LaserJet Plus® compatible. Quietly prints up to six pages per minute, letting you complete large jobs in a short time. The LP-1000 provides you with speed and versatility that dramatically extends the capability of your application software. Includes Kit A (26-2805) and toner (26-2807). Centronics parallel interface. 20.5x40.8x41.8cm. 240V AC.
