

Budget Management

Cat. No. 26-1603

Suggested Retail Price (may vary at individual stores and dealers) \$19.95

Description

Finally, a program to help you set up and monitor your own personal budget. If you wonder where all your money is going . . . and who doesn't . . . or if you are trying (unsuccessfully) to stick to a budget that's not realistic . . . Budget Management keeps lots of facts organized for you so it's easy to see where you stand. Although it works on our 16K Level II TRS-80, if you have a disk system the program automatically stores all data on disk!

Format

The program is packaged in a binder with two program tapes, two blank data tapes and manual. Instructions are included for transferring the package to disk, and the disk commands are already included in the program.

Minimum Hardware Required

For a Tape Based System:

- 16K Level II TRS-80 Computer System
- optional 132 column printer with printer interface cable such as our Line Printer I and Printer Interface Cable.

Detailed Description

The Radio Shack Budget Management Package comes with four programs: Initialization, Transactions, Editing, and Reports. With these programs you can keep track of the following:

- 60 Different Budgeted Accounts
- 25 Cash Expenses Per Month
- 20 Savings Deposits or Withdrawals Per Month
- 50 Checks Per Month
- 20 Deposits Per Month

This system also allows you to keep track of cancelled checks. Information is provided which will allow the experienced programmer to change these limits based on individual need and additional available memory.
