# Disk Payroll System

Cat. No. 26-1556

Suggested Retail Price (may vary at individual stores and dealers) \$199.95

## Description

The TRS-80 Model I Disk Payroll System is a complete small-business payroll system.

## Payroll System Features

- Calculates and prints payroll checks automatically
- Calculates all federal taxes in all states and the District of Columbia
- Calculates state tax in any one state or the District of Columbia
- Automatic printing of W-2 forms at the end of the year
- Fourteen user-defined earnings and deduction categories
- Six user-defined workman's compensation classifications
- Up to 100 employees
- Provision for automatic voluntary deductions, such as savings, Christmas clubs, etc.
- Automatic check register before or after printing
- Easy error correction and recovery
- Automatic out-of-balance detection
- Automatic monthly, quarterly, and annual journals

## Format

The disk program is packaged in a deluxe three ring binder with two program diskettes, a blank data diskette and manual.

## Minimum System Requirements

- TRS-80 16K Level II System
- TRS-80 16K Expansion Interface
- Two TRS-80 Model I Disk Drives
- Minimum 80 column printer such as our  
Line Printer I or  
Line Printer III
- TRS-80 Printer Cable

## Detailed Description

Our Disk Payroll System manual will take you, step by step through the process of setting up the system to fit your business. Once this is done, system maintenance is minimal. You can add and delete employees easily; make wage changes quickly; print any reports that may be needed; and prepare payroll checks in a fraction of the time it takes to prepare them by hand. You can print a check for a single employee or you can print all of the checks. The system will also allow you to hand write a check and then enter the information into the system at a later time.
