Suggested Retail Price (may vary at individual stores and dealers) \$1

Description

The Radio Shack Personal Finance Program is a personal accounting system for Level I systems only.

Format

The package is supplied in a three ring binder with four program tapes, four blank data tapes and manual.

Minimum Hardware Requirements

- 4K Level I TRS-80 Computer System

Limitations

- Numbers greater than \$9999.99 will be rounded to six significant digits.

Detailed Description

The Radio Shack Personal Finance System helps you keep track of outstanding checks, cancelled checks, salary, and expenses (up to 32 expense accounts) for each month (up to 100 entries per period). The Budget Summary program allows you to display information from one or more months and compiles a report of expenses and income.
