Level II Payroll

Cat. No. 26-1504

Suggested Retail Price (may vary at individual stores and dealers) \$49.95

Description

The Tape Payroll Package is designed for smaller businesses with high growth potential. Using a minimum 16K Level II TRS-80, the program will process payroll for 15 employees. As the company grows, the system can be expanded to match the needs of the company. With 16K additional memory the Tape Payroll System will process checks for 75 employees. If you own a disk system, all data files automatically go to disk.

Format

The Tape based package comes with two program tapes, one Disk Menu tape and a blank data tape with manual in a three ring binder.

Minimum Equipment Required

- 16K Level II TRS-80 Computer System
- Optional minimum 80 column printer such as our Line Printers I or III, with Interface Cable.

Minimum Additional Equipment Required for Disk System

- 16K Expansion Interface
- One TRS-80 Model I Disk Drive

Detailed Description

The TRS-80 Tape Payroll System provides the following features:

- Calculates and prints checks (if you have a printer)
- Calculates all Federal Taxes and FICA
- Calculates most State and City Taxes
- Provisions for Voluntary Deductions
- Provisions for Disability Deductions
- Check Register
- Easy Error Correction and Recovery
- Annual Summaries
- All reports printed on optional Printer or Displayed on the Screen.

You supply employee records, company and employee FICA percentages, and local State and City Income Tax information (if any). Tape Payroll does the rest. Four programs are all you need to set-up and maintain your company's payroll system:

- Company Data Maintenance
- Employee Payroll Maintenance
- Payroll Processing
- Payroll Totals
