

Take The Right Line For A Business Printer - Tandy's TRS-80

Purchasing a good microcomputer is one thing, but equally important is your choice of printers. Whether it be a line printer or a daisy wheel unit, it's important you find a printer that suits your specific needs and budget. Tandy has a complete range of printers to suit the entire spectrum of possible uses covering word-processing, data records, personal budgeting and accounting, to name just a few. By choosing Tandy you not only get a first class dot-matrix or daisy wheel printer, but back-up and expertise that's made us number 1, world-wide, for microcomputers. Call in for a demonstration.

"THE BIGGEST NAME IN LITTLE COMPUTERS"

SPECIFICATIONS

There are six quality printers in Tandy's range.

Line Printer-VII

Designed as a low-cost, full performance printer. Dot addressable graphics allow printing of high-density graphic information. Handles 80 to 40 u/l case characters on 20cm line. Can produce original and two copies.

Print density: 5 or 10 chters/inch. **Print speed:** 30 Chters/sec. **Weight:** 3.9 kg. **Size:** 13.5x41x21cm. \$499.00.

Line Printer-VIII

Offers high-density, dot matrix printing in 3 modes. Data Processing, Word Processing and graphics. 9x8 monospaced chters, at 10 cpu (80 others per line) can be elongated or condensed. Fanfold, roll or sheet-feed paper. **Print Density:** 4.35 to 22.2 chters per inch. **Graphic D.:** 4320 dots/sq. inch. **Print speed:** 40 to 100 chter/sec. **Chter set:** 96 ASC11 + 32 Int, and 30 graphic. **Weight:** 7.5 kg. **Size:** 12x39x28cm. \$899.

Plotter/Printer

Intelligent plotter responds to BASIC instructions to produce plots up to 19cm wide of any length. No ribbon uses replaceable pen. **Print density:** 9 chters/inch, 75 col line in standard mode.

Print speed: 5 lines/minute nominal. Bidirectional feed under software control with stepper drive. **Weight:** 11.7 kg. **Size:** 47.6x37.5x19cm. \$1299.

Line Printer VI

Prints a full 132 cols at 33 lines/minute. Has bi-directional logic-seeking carriage with a 7-wire pinhead. Prints u/l case characters, graphic characters and symbols. Features auto-paper out function. Accepts 10 to 37.5cm fanfold or single sheet paper.

SPECIFICATIONS

Print density: 10 chters per inch, (5/7.5/15 chters optional). **Print speed:** 100 chters/sec. 33 lines/min. **Dimensions:** 61.5x16x33.8 cm. **Weight:** 12.7 kg. \$1499.

Line Printer V

Fast, bidirectional, logic seeking dot-matrix printer that's ideal for heavy business use. 7x9 matrix for clean copy, plus L/C descenders, 132 cols wide. 4 chter sizes. Auto paper-out sensor. Takes fanfold computer paper up to 37.5 cm wide. **Print density:** 5, 7.5, 10, plus bold 10 cpi, software select. Line length: 33.5 cm. **Print speed:** 160 chters/sec, 60 lines/min. **Weight:** 19 kg. **Size:** 18.8x62x40.4cm. \$1999.00.

Daisy Wheel II W.P. Printer

Letter-quality printing and high speed make this word processing printer ideal for most business requirements. Interchangeable chter wheel provides printing of up to 40 million chters. 124 chter print wheels. Forward and reverse paper feed, underline, B/ space, takes up to 5 carbons. **Print density:** 34.5 cm line; switch — 10 or 12 pitch or proportional spacing. **Print speed:** 43 cps nominal: 19.5 LPM at 10 cpi, 132 cols. Approx. 500 words/minute min. **Carriage motion:** Unidirectional logic-seeking. **Character Set:** 124. **Paper:** Up to 40.6cm, original plus 5 carbons, friction feed. **Ribbon:** 250,000 nominal chters. **Interface:** Standard 8 data bit parallel, 36-pin connector. **Size:** 20.3x62.2x39.4 cm. **Weight:** 12.7 kg. \$2299.

Arrange A Demonstration

To actually view and use the printers in our range, contact your nearest Tandy Computer Dept. or Computer Centre and arrange a no-obligation demonstration.

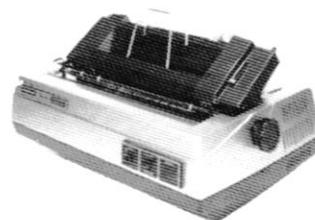

ACCESSORIES

There is a comprehensive range of accessories available.

Tractor Feed

Snap-fit to use fanfold paper for Daisy Wheel II. For long DP runs, labels, forms and single sheets. \$389.95

Auto Sheet Feeder

Ideal for printing hundreds of letters on your letter head. Stacks and feeds up to 200 sheets, single or multi part form sets. Installation required. \$1650.00

Ribbons and Cables

DW II. 3 Carbon \$29.95.
Nylon \$17.95

Ribbon Chart for LP-V. 2 million chters. . . \$24.95. **R Chart** for LP VI and VIII. 1 million chters . . \$19.95. **Ribbon:** LP VII. 1 mil chters . . . \$12.95. **Printer Cable:** Model I/III . . . \$59.95. **Printer Cable** Model II . . . \$69.95. **Colour Computer Serial Interface Cable** . . . \$5.95.

Paper Supplies

Green Bar FF (2000) . . . \$44.95
Green Bar FF (2500) . . . \$59.95
White Fanfold (500) . . . \$19.95
6000 Mailing Labels . . . \$59.95

Cassette Screen Print Program

Prints in B&W, contents of Colour Computer display.
269-3021 . . . \$9.95
