Radio Shack® CUSTOMER SERVICE BULLETIN

400 Atrium—One Tandy Center, Fort Worth, Texas 76102

Bulletin No. 1564-1
Description Mailgram
Model Model I
Stock No. 26-1564 Version 1.0
Date May 20, 1980
Page 1 of 1

Problem

Converting the Mailgram tape to disk presents a problem since in the manual the user is instructed to use the TAPEDISK utility. TAPEDISK resides in the same place in memory as mailgram. When tapedisk loads the mailgram tape, it overlaps the tapedisk program causing the system to re-boot.

Solution

This is corrected in version 1.1 and 3.0.
