Page 1 of	1

Problem

Scripsit-HD won't print multiple copies when doing a merge.

* * THE FOLLOWING PATCH IS REQUIRED! * *

Solution

To correct the problem, apply the following patch to the installed version and to the installation diskette.

PATCH SCRIPSIT/SYS R=195 B=188 F=22808A C=0000000

Apply the following patch to change the version number.

PATCH SCRIPSIT A=E2E1 F=202020 C='.01'

After patches from this Bulletin have been applied, the version number will be 01.00.01. Please make the necessary entry in your Version Log.
